# Buy Direct & Save!

Are you currently buying your foam requirements from a local paperhouse? Why not buy direct from a factory? We can not only save you money but we can also upgrade your current level of service. Since we are a factory, we maintain total control of your order, not dependent on outside sources. Often we can turn around an order the same day, for those little emergencies that always seem to pop up at the wrong time. We have 35,000 square feet at your service.
